

Acknowledgement

We take this opportunity to express my gratitude to all those people who have been directly and indirectly with me during the completion of this Training. We pay a special thanks to my guide, **Dr. Asif Khan**, who has given guidance and a light to us during this training. Their versatile knowledge about 'Vehicle Renting Service' has eased us in the critical times during the span of this training. We acknowledge here our debt to those who contributed significantly to one or more steps. We take full responsibility for any remaining sins of omission and commission.
